Sipsmith and Too Many Women

Too Many Women is dedicated to creating a research centre for breast cancer in the hope of eradicating this devastating disease. Many of us have been touched by Breast Cancer in one way or another, whether personally or through those close to us. For this very reason, this charity is dear to the heart of the Sipsmith Founders.

Sipsmith would therefore like to invite you along to raise money for this great cause whilst enjoying some gin & tonics, a few delicious nibbles and a rare chance to peek behind the doors of London's first copper distillery for almost two hundred years.

Thursday 16th September from 7pm to 10pm

27 Nasmyth Street, London, W6 0HA. (nearest tube Ravenscourt park - 5 min walk)

Tickets £15 in advance or £20 on the evening. (all proceeds to Too Many Women)

To buy a ticket, please pay as though donating at www.justgiving.com/sipsmith and write how many tickets you would like in the message box.
